

Mission

Bike Winnipeg engages with citizens, community organizations, and governments to create a healthy, sustainable, and equitable city where year-round cycling is accessible to all. We work towards a Winnipeg that embraces everyday cycling through our outreach, education, and advocacy.

Vision

We envision a Winnipeg where cycling is equitable and accessible for everyone. A place where every road is safe for children and grandparents to ride, planning a route is as simple as knowing where you want to go, and doing the weekly grocery shop by bicycle isn't just possible, it's preferable!
